## BEER & CIDER ON TAP

---

**4 Pines Kolsch** Refreshing German technique meets southern hemisphere flavour. A mixture of German and Kiwi hops

**Bulmers** Patiently matured in vats close to the orchards of the Tipperary countryside, Bulmers Cider has a crisp, refreshing flavour and a natural authentic character

**Carlton Black** A traditional dark ale, Carlton Black has a fruity flavour that compliments the emphatic price of Ringwood hopping, making for a rich, easy to drink beer. The drum-roasted malt used in Carlton Black is the secret behind the beer's distinct ruby tint, inviting mocha aroma & full-bodied flavour

**Canadian Club Draught** Canadian Club & Dry Draught is made with a smooth Canadian Club Whisky & crisp dry ginger ale & provides a refreshing alternative to premium draught beer & cider

**Carlton Draught Brewery Fresh Tank Beer** Carlton Draught Brewery Fresh Tank Beer is a traditional, full-strength lager that is crisp on the mid-palate with a good malt character and smooth full-bodied flavour. Clean hop bitterness gives the brew a slightly dry finish. Its taste profile is lively with extra smoothness due to its freshness and the fact that it has been exposed to minimal oxygen and other gases until it hits your glass at the tap

**Carlton Dry (Low Carb)** Carlton Dry's extended brewing process removes excess sugars creating a smooth, crisp finish with lower carbohydrates than a full strength beer

**Cascade Premium Light** 'Full-flavoured' is an adjective that tends to be overused in the lager world, but is appropriate in this case given the balance in this low alcohol beer

**Fat Yak** Fat Yak impresses with its golden colour, distinctive hop driven, fruity & herbaceous aromas, giving characteristic passionfruit & melon notes, followed by a hit of hop flavour at the finish

**Frothy** Proudly brewed with 100% local hops & barley, Frothy is a flavourful, yet surprisingly easy to drink alternative to your favourite lager

**Goose Island Midway IPA** As a session IPA, Midway is an approachable, hoppy ale suitable for a range of palates

**Great Northern Super Crisp (Midstrength)** Great Northern Super Crisp Lager was designed with an easy going lifestyle in mind. With its fruity aroma, subtle bitterness & refreshingly light finish, it's brewed specifically for the Australian climate

**Melbourne Bitter** Fruity aroma & pleasant body are complimented by the assertive, lingering bitterness of Pride of Ringwood hops

**One80** Effortlessly drinkable pale lager/ale hybrid, fermented warm to allow our signature yeast to generate a subtle & engaging fruity character. Naturally slightly hazy, the palate is crisp & refined w/ a long smooth bitterness & a hint of complex malt to keep things in balance

**Victoria Bitter** VB is a full flavoured, full strength beer; the gentle fruitiness of the aroma compliments the sweet maltiness in the mouth which in turn balances perfectly with the clean hop bitterness of the finish
