BEER & CIDER ON TAP

Bulmers Cider A light bodied apple cider with sweet appley notes and a subtle tanginess.

Canadian Club Draught Canadian Club & Dry Draught is made with a smooth Canadian Club Whisky & crisp dry ginger ale & provides a refreshing alternative to premium draught beer & cider.

Carlton Draught Brewery Fresh Tank Beer Carlton Draught Brewery Fresh Tank Beer is a traditional, full-strength lager that is crisp on the mid-palate with a good malt character and smooth full-bodied flavour. Clean hop bitterness gives the brew a slightly dry finish. Its taste profile is lively with extra smoothness due to its freshness and the fact that it has been exposed to minimal oxygen and other gases until it hits your glass at the tap.

Carlton Dry (Low Carb) Carlton Dry's extended brewing process removes excess sugars creating a smooth, crisp finish with lower carbohydrates than a full strength beer.

Great Northern Super Crisp (Midstrength) Great Northern Super Crisp Lager was designed with an easy going lifestyle in mind. With its fruity aroma, subtle bitterness & refreshingly light finish, it's brewed specifically for the Australian climate.

Victoria Bitter VB is a full flavoured, full strength beer; the gentle fruitiness of the aroma compliments the sweet maltiness in the mouth which in turn balances perfectly with the clean hop bitterness of the finish.
