BEER & CIDER ON TAP

Bulmers Cider A light bodied apple cider w/ sweet appley notes & a subtle tanginess.

Canadian Club Draught Canadian Club & Dry draught is made w/ a smooth Canadian Club whisky & crisp dry ginger ale & provides a refreshing alternative to premium draught beer & cider

Carlton Draught Brewery Fresh Unpasteurised beer is the purist's beer, as unlike other beers, it is not heated to 70 degrees during the brewing process. It is Carlton Draught served as the brewer intended with a lively taste profile and a smooth finish.

Carlton Dry (LOW CARB) Carlton Dry's extended brewing process removes excess sugars creating a smooth, crisp finish w/ lower carbohydrates than a full strength beer.

Great Northern Super Crisp (MIDSTRENGTH) Great Northern Crisp Lager was designed w/ an easy going lifestyle in mind. With its fruity aroma, subtle bitterness & refreshingly light finish, it's brewed specifically for the Australian climate.

Victoria Bitter (VB) A full flavoured, full strength beer; the gentle fruitiness of the aroma complements the sweet maltiness in the mouth which in turn balances perfectly w/ the clean hop bitterness of the finish.

****SPECIAL**** There is always more available on tap. We're constantly adding new varieties & flavours. Please ask our friendly staff for the new products available.
